This is to certify that Ms. Ashwini Kulkarni has worked as a learner- facilitator from May 2020 to March 2022. She was an anchor teacher for Grade 3 in 2020-21 and Grade 4 in 2021-22.

Ashwini is an organized and diligent teacher. She connected well with children and enthusiastically involved herself in the teaching-learning process. A learner, she has integrated her learnings from teacher training workshops organized by the school into her classes.

She quickly adapted to the online environment and proactively updated her skills to facilitate learning in the virtual classroom.

A committed professional, she has involved herself wholeheartedly in all school activities during her tenure. She has also attended workshops on self-exploration that were held in school.

We wish her well for her future endeavours.
