8 yrs in .Net Technologies (C#, Asp.Net MVC, Asp.Net API, Asp.Net Core), Good work ethics, Excellent communication and interpersonal skills, Strong analytical and programming skills

## PROJECTS

- **Microsoft Cloud Accelerator Program (MCAP)**

It's a Microsoft Partner Accelerator Portal where partners can do nominations and related works. There will be several programs where Partner can nominate for their customers. One of them is Cyber Security Investment (CSI). Partner CyberSecurity Investment is an invite-only investment that has been created to support selected partners in creating customer intent to purchase and use Microsoft security technologies and solutions. Front end is angular 18 and the backend is .net core 7 with Azure SQL and EF Core.

- **Booking Engine**

ASP.Net With C#, SQL Booking engine is a Travel Base Web application used for Online Flight, Hotel, Car, Train, Sports, Activity etc booking. And Third party Web Service like sabre, Galileo, Travelfusion etc Suppliers are integrated, Payment gateways like Knet, PayPal, KFH Etc are using. Also I integrated CCavenue, Benefit, KFH Mada version Payment Gateways.

- **Twine, XpressFeeders**

Booking port for vessel and cargo ship management Application made by using .net core 6 and vuejs3.

## CONCLUSION

I hereby declare that the above written particulars are true and correct to the best of my knowledge and belief.
