Hi Jasleen,

First of all, I haven't resigned. I was on medical leave due to an emergency. I have informed Manoj sir in advance by the first week of March itself.

I mailed him on 11th March regarding the same but still he didn't reply.

Then after 1 week you are sending me this mail to handover company assets.

As per company's policy, I should have got my salary on 10th of March but I didn't receive it.

I also have my commitments and medical expenses.

I request you to let me know when I will receive my salary because there is nothing else in my FNF.

I have worked for 21 days in the month of February so please provide me my salary for the days I have worked.

Once you let me know the date of my receivable, I will handover the laptop on the same day itself.

Regards,

Tarang Gandhi
