To whom it may concern

This is to confirm that Mr. Raja Kanganathan (HFT0006) was employed with Higher One Financial Technology Pvt Ltd from January 02, 2012, to July 31, 2014. During his tenure he was designated as Lead Developer. His roles & responsibilities were as below:

- To engage in effective communication with the Onsite (USA) development manager to address project requirements and overcome challenges.
- To ensure a clear understanding of project objectives and foster collaboration between the onshore and offshore teams.
- To mentored the offshore team, guiding them beyond routine bug fixes and enhancements.
- To offer support and expertise to empower the team in accomplishing tasks, fostering skill development and efficiency.
- To take a leadership role in designing, developing, and implementing a SOAP platform.
- To utilize the CXF framework to seamlessly integrate HigherOne's financial services products, contributing to the overall success of the project.

Note – Formerly Transact Campus Pvt Ltd was known as Higher One Financial Technology Pvt Ltd.

Thank you

Srinivasagopal Raman
