To whomsoever it may be concerned.

It is a true pleasure for me to write this letter of recommendation for Dr. Sahana bhatt, who had worked under at Balaji Dental clinic, chamrajpet, Bangalore from 15 oct 2019 to 28 Feb 2021.

She is knowledgeable about a variety of dental techniques and procedures and her duty in the office included endodontic treatment, anterior aesthetic restorations, crown preparation, scaling, prosthesis rehabilitation and able to manage patients on her own. She is charismatic individual who easily establishes good rapport with the co-workers and the patients.
