Writing test cases

Cross-browser testing

Test procedures

Load testing

Functional testing

Manual testing

Test planning

Problem-solving

Test scenarios

System testing

Test case design

Mobile testing

Defect tracking

Performance testing

SQL

JIRA

Agile methodologies

Creating test cases

User acceptance testing

System requirements analysis

Test case development

WORK HISTORY

Senior Test Engineer, 07/2025 - 09/2025

JM Financial Services – Mumbai, India

- Conducted root cause analysis on defects discovered during testing, enabling quick resolution and minimizing risk of future occurrences.
- Reproduced defects and documented findings.
- Streamlined testing processes for increased efficiency in identifying and resolving defects.
- Mentored junior test engineers, enhancing their skillsets and overall team performance.
- Trained junior testers in company standards, testing protocols and testing software.
- Collaborated with developers to resolve issues identified during the testing phase, resulting in a more robust final product.
- Improved software quality by designing and executing comprehensive test plans.
- Developed formal test plans for personal use and use by colleagues.
- Performed quality audits across multiple internal IT functions.

Test Engineer, 05/2022 - 06/2025

AQM TECHNOLOGIES PVT LTD – Mumbai, India

- Maintained up-to-date documentation of all test plans, procedures, results, and defect tracking databases for future reference or audits.
- Created comprehensive test plans, test scripts, and use cases to support testing objectives.
- Reviewed, evaluated, and identified requirements for testability.
- Collaborated with development teams to identify, reproduce, and resolve software issues promptly.
- Optimized regression testing efforts through continuous improvement of test cases and methodologies.
- Reduced product defects by performing thorough root cause analysis and implementing corrective actions.
- Tracked test reports and failures determined by root cause data trends.

EDUCATION

B.Tech: Mechanical Engineering, 05/2021

KIIT UNIVERSITY - BHUBANESWAR

- Final Grade: 7.5 CGPA
- Recipient of Mechanical Machine Show
- Summer Internship, SAIL Rourkela, Completed 2019
- Spot welding machine - Research Project
