Dear Misbah,Ranjith,

I hope you are doing well. I would like to formally resign from my position as a **MERN Stack Developer** at **ADAgency**, with my last working day being **November 30, 2025**.

This decision comes after careful consideration, and I want to express my genuine gratitude for the invaluable experience and professional development I've gained during my time. Working with you and the team has been instrumental in honing my full-stack development skills, and I truly appreciate the collaborative environment and opportunities for growth.

As part of preparing for my upcoming departure, I have ensured a smooth and complete transition of all my responsibilities. All tasks, code updates, and pending work have been properly handed over, and I have also guided and mentored the concerned colleagues to make sure there is no disruption after my exit.

Best regards,
Mohamed Mishaj K
