**Re: Resignation Acceptance, Prakyath M C**

To Whom It May Concern,

This letter confirms that Prakyath M C formally communicated his intention to resign from his position as Junior AI Developer at Phracta, and that his resignation was duly accepted.

Prakyath served with Phracta on a contract, commission-based engagement from July 2025 to December 2025. His resignation was accepted in good standing, in line with his decision to return to India to pursue further career opportunities.

Warm regards,
