Dear Sir,

I hope you are doing well.

Please accept this email as formal notification of my resignation from my position at Siemens under the payroll of AMPS. After careful consideration, I have decided to move forward with a new opportunity that aligns with my career growth and future goals.

I would like to express my sincere gratitude for the support, guidance, and opportunities provided to me during my time with the organization. Working with the team has been a valuable learning experience, and I truly appreciate the professional exposure I have gained.

As per my notice period, my last working day will be 8th March 2026. However, I kindly request you to consider an early release before my last working day, if possible, based on business requirements. I will ensure a proper handover of my responsibilities and support a smooth transition.

Thank you once again for your support and understanding. I look forward to staying in touch, and I wish the team continued success.

Sincerely,  
Rahul Barman
