Hi,

I hope this message finds you well. I am writing to formally resign from my position as Senior Engineer (SW) at VVDN Technologies, effective 06th August 2025.

I deeply appreciate the support and opportunities I have received during my tenure at VVDN Technologies. It has been a privilege to be a part of such a talented team and contribute to my projects' front-end development. I assure you that I will do everything possible to ensure a smooth handover of my responsibilities before my proposed relieving date. I am happy to assist in training my replacement or documenting key processes to ensure a seamless transition. I would greatly appreciate your understanding and consideration. Please let me know if we can discuss this further or if there are any additional steps I need to complete.

Thank you once again for your guidance and support. I look forward to staying in touch, and I wish the team continued success.

Best regards,
Ponmanivel S
Senior Engineer (SW)
