### StackWalls - About the company

StackWalls is an unfunded company based in Sancoale (India), founded in 2022 by Maunil Parikh and Harsh Tiwari. It operates as a Provider of freelance talent and full-time employee placement services. This platform connects businesses with vetted freelancers and full-time employees across various specialized fields. It offers a streamlined process for project management, including onboarding and communication tools. Clients can engage freelancers for project-based work or hire full-time employees through the platform. The platform facilitates secure payment processing and ensures intellectual property protection through NDAs. Dispute resolution mechanisms are in place to address client concerns. The service includes the option for clients to schedule meetings with potential freelancers before hiring. If a suitable freelancer is not found, alternative solutions are provided.. StackWalls has not raised any funding yet. The company has 1306 active competitors, including 48 funded and 27 that have exited. Its top competitors include companies like [Wix](#), [Webflow](#) and [Beacons AI](#).
