Objective

Cyber Security professional with hands-on experience in SOC monitoring, SIEM tools like Microsoft Azure Sentinel and Splunk, malware analysis, and phishing mitigation. Eager to contribute to a dynamic team in safeguarding information security by leveraging skills in incident management, threat hunting, and data security frameworks. Seeking an position in Cyber Security and Ethical Hacking to apply technical expertise and continue professional growth.

Skills

- **SIEM Tools:** Microsoft Azure Sentinel, Splunk
- **Email Security:** Proofpoint
- **Incident Response:** Investigation of false and true positives, threat detection & Analysis
- **Malware Analysis:** Identifying and mitigating malware threats
- **Threat Hunting:** Proactive detection of advanced threats
- **Security Frameworks:** Cyber Kill Chain
- **Ticketing Tools:** CRM, ServiceNow
- **Data Security:** Antivirus, EDR, Email Security, Microsoft Defender
- **Security Operations:** 24x7 SOC monitoring, log analysis, and incident management
- **Tolls:** TCP/ UDP, Firewall, IPS/ IDS, Microsoft Defender

Profile Summary

- Strong foundation in **Security Operations** and incident response management using **SIEM tools** like Microsoft Azure Sentinel and Splunk.
- Familiar with **malware analysis** and **phishing mitigation**, conducting thorough investigations into alerts and ensuring accurate detection of security breaches.
- Well-versed in **security frameworks** such as **MITRE ATT&CK** and the **Cyber Kill Chain**, using them to guide proactive **threat hunting** activities.
- Capable of working in **24x7 SOC environments**, providing round-the-clock monitoring, security management, and incident resolution.
- Knowledgeable in various **Data security solutions** such as antivirus systems, EDR (Endpoint Detection and Response), and **Email Security** tools.
- Strong communication and reporting skills, with a focus on clear documentation and prompt incident reporting.

Education

Master Of Business Administration (MBA) SK University 2023

Certifications

- Cyber Security & Ethical Hacking – Simplilearn
- Cyber Security & Emerging threats – Let's upgrade
- Cyber Security & bug Responde – Frontline Media

Strengths

- Excellent **analytical skills** for identifying security risks and patterns in incident reports.
- Effective **communication and drafting skills** for documenting incidents and collaborating with teams.
- Enthusiastic about learning and integrating new security technologies to improve threat detection processes.

Personal Information

- Languages: English ,Telugu
- Date of birth : 26/03/2000
- Address: Yadalankapalli (v) Bukkapatnam (m) Anantapur(D) Andhra Pradesh, India .
