MBI9536	Applied Project	9	45	C+	20/01/2026

The meaning of the letter grades:

A 'C' grade or better is a pass.

The grade 'CRT' is used when awarding a cross credit, credit transfer or assessment of prior learning result.

Grades 'D' and 'E' are used to indicate a level of achievement that is insufficient for the award of credit.

Ewen Mackenzie-Bowie, Principal and Chairman

Tertiary Courses in • **Business** • **Computing** • **Early Childhood Education** • **English Language**
